Dr. George Tsoukas
President
Hellenic Community of Greater Montreal

Dear Dr. Tsoukas,

On behalf of the Canadian Hellenic Congress (CHC), I extend warm congratulations to you personally, and your entire “Anagenesis” team, on your victory at the Hellenic Community of Greater Montreal (HCGM) elections of June 12, 2022.

Given your election campaign’s vision of inclusion, and all that it entails, I am certain that you will want to work in harmony and to collaborate with, not only the entire Board of Directors but also with, all organisations and members of our community at large, to fulfill your vision; a vision of transparency, hope, progress and growth of our beloved HCGM.

On behalf of the CHC, I wish you courage, strength and determination, so that your vision can become a reality and – in this way – strengthen the HCGM’s ability to better provide educational, religious, social and cultural services to its members and to future generations.

The CHC looks forward to collaborating with the HCGM and with you to promote our national/ethnic issues, in order to better defend and strengthen Hellenism.

Sincerely,

Dr. Theodore Halatsis
President
